

It is an extreme pleasure to announce that after receiving the final clearance from MoEF the construction work has started in full swing at our site and we have awarded the foundation work of our prestigious project "The Tempean" to one of India's leading company with a proven track record- **ITD CEMENTATION INDIA LIMITED (ITD CEM)** that is a part of **ITALIAN-THAI DEVELOPMENT PUBLIC COMPANY LTD (ITD)**- one of the leading civil engineering contracting organisations in South East Asia. ITD Cem has successfully completed major projects in India including Mass Rapid Transit System in Delhi & NCR; Kolkata Airport; Ahmedabad Airport **and** International projects such as Bangkok Mass Transit System; Bangkok Airport; Bangkok Garden; Myanmar Airport amongst many other prestigious projects. You can hence, be rest assured of the similar elements of high quality and technology being used in our project.
